CLARIFICATION ADDENDUM II

SUBJECT: TENDER NO. KALRO/NAVCDP/NCB/002/2026-2027: SUPPLY AND INSTALLATION OF 2 NO. HIGH-PERFORMANCE ENTERPRISE SERVERS TO KALRO HEADQUARTERS

No.	Details	Clarification Sought	Response
1.	Boot storage 2 x M.2 NVMe SSDs via BOSS-N1 for OS/boot (RAID-1).	Confirm the drive sizes needed for this.	The bidders should configure a minimum 480GB disk size.
2.	Support: Six-months dedicated OEM remote engineer services.	Clarify if the six months dedicated OEM remote engineer services are to be quoted along with the server.	The six months OEM remote engineer services should be included in the server quote.
3.	Attach draft one-year technical support SLA.	Clarify if the draft SLA one year is part of the price.	The bidders should include it on the price schedule.
