

INVITATION FOR EXPRESSIONS OF INTEREST (EOIs) TO PROVIDE PROFESSIONAL SERVICES TO DOMESTIC AND FOREIGN INVESTORS

Kenya Investment Authority (Invest Kenya), the national investment promotion agency, invites eligible firms to submit **Expressions of Interest (EOIs)** for inclusion in its **Panel of Investor Service Providers**.

As the primary point of entry for investors, Invest Kenya regularly receives requests for trusted professional and business support services as investors establish, expand and operate in Kenya. To meet this demand, the Authority is establishing a verified network of service providers to whom investors may be referred based on their specific business requirements.

Inclusion on the Panel provides firms with visibility to Invest Kenya's growing pipeline of investors and opportunities to engage directly with potential clients. Engagements arising from such referrals shall be negotiated directly between investors and service providers. Inclusion on the Panel does not constitute a procurement contract or guarantee of business, and investors remain free to engage service providers of their choice.

Interested firms are invited to submit EOIs under the following categories:
