	Clarification Sought	Bank's Response
1.	After customs clearance at the ICD, is the cargo required to be transported to the Central Bank of Kenya Head Office in Nairobi?	After the customs clearance at whatever designated port of entry, the cargo will be delivered to the CBK nominated points in any of the eight locations. Key/frequent destination points are also specified in Addendum No. 1.
2.	Are there any other designated delivery locations within Nairobi or in other parts of Kenya?	Destination points are specified in Addendum No. 1, specifically the CBK Branches and Centers.

For costing purposes, bidders are requested to make their pricing bids as per specifications of the tender. Pricing should be made from named point of collection to named point of delivery without being restricted to one port or depot.

This addendum forms part of the Tender document. All other terms and conditions of the tender remain the same.
