Dear All,

RE: CONSULTANCY SERVICES FOR SECURITY LIAISON (INDIVIDUAL CONSULTANT) FOR UPGRADING OF EL WAK - RHAMU (A13) ROAD

- 1.1 The Government of Kenya (hereinafter called “Borrower”) has received financing from the African Development Bank in the form of a loan towards the cost of **Upgrading of El Wak – Rhamu (A13) Road**; and intends to apply part of the proceeds for this loan to make payments under the contract. The Kenya National Highways Authority, the implementing agency of the Government of Kenya intends to apply a portion of the proceeds of this loan to eligible payments under the contract for which this request for proposals is issued. Payments by the Bank will be made only at the request of the Government of Kenya and upon approval by the Bank, and will be subject, in all respects, to the terms and conditions of the loan agreement. The loan agreement prohibits a withdrawal from the loan account for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import, to the knowledge of the Bank, is

Consultancy Services for Security Liaison (Individual Consultant) for Upgrading of El Wak - Rhamu (A13) Road

prohibited by a decision of the United Nations Security council taken under Chapter VII of the Charter of the United Nations. Other conditions of eligibility are mentioned in the Request for Proposals. No party other than the Government of Kenya shall derive any rights from the loan agreement or have any claims to the proceeds of the loan.

- 1.2 The Kenya National Highways Authority now invites the shortlisted Individual Consultants to provide the following consulting services (hereinafter called “Services”): **“Consultancy Services for Security Liaison (Individual Consultant) for Upgrading of El Wak - Rhamu (A13) road”**. More details on the Services are provided in the attached Terms of Reference (Section II).
- 1.3 An individual Consultant will be selected in accordance with the African Development Bank’s *“Procurement Policy for Bank Group Funded Operations”-August, 2015*, which is available on the Bank’s website at <http://www.afdb.org>.
- 1.4 The request for proposals includes the following documents:
Section I - Letter of invitation
Section II - Terms of Reference
Section III - Sample Contract Form
Section II contains the Terms of Reference (TOR) indicating the scope of the assignment to be undertaken as well as the services required from the selected consultant. You are kindly requested to comment on the TOR for the proposed assignment, present your practical experience and updated Curriculum Vitae. You are also requested to present your financial proposal regarding fees as per the schedule in the TOR.
- 1.5 The proposals to be submitted by the selected consultants shall be evaluated on the basis of the following criteria:
 - a) general qualifications and adequacy for the assignment to be undertaken 35%
 - b) similar experience in the area of expertise of the assignment and understanding of TOR 45%
 - c) experience with the African Development Bank Group and/or multilateral donors 5%
 - d) language proficiency 5%
 - e) knowledge of the region (assignment environment) 10%

- 1.6 Only the proposals scoring **70 points** or above shall be considered for this assignment. All the consultants shall be ranked and the highest ranked consultant will be selected for the said assignment if his/her fees are within budget limits.
- 1.7 Completed proposal documents consisting of:
- i. comment on the TOR for the proposed assignment, updated Curriculum Vitae with qualifications, detailed practical experience, testimonials, telephone numbers, email address and names of three referees and
 - ii. separately sealed financial proposal as per the schedule in the TOR and clearly labelled '**FINANCIAL PROPOSAL**' should be deposited in the tender box at Kenya National Highways Authority Headquarters, 2nd Floor, South wing, Block C, Barabara Plaza, Jomo Kenyatta International Airport (JKIA), Nairobi, Off Mazao Road (Opposite Aviation House) so as to be received on or before **24th November, 2026 at 11:00 hours** local time.
- 1.8 Upon receipt, please inform us in writing at the following address
- Deputy Director, Supply Chain Management Department
Kenya National Highways Authority (KeNHA)
Barabara Plaza, Block C, 2nd Floor,
Jomo Kenyatta International Airport (JKIA), off airport South Road, along Mazao Road,
P. O. Box 49712-0010, Nairobi, Kenya*
- or by E-mail
- directordevelopment@kenha.co.ke,
procurement@kenha.co.ke
- (a) that you have received the letter of invitation
 - (b) whether or not you will submit a proposal for the assignment

Yours sincerely,

Deputy Director
Supply Chain Management Department

SECTION II TERMS OF REFERENCE

1.0 INTRODUCTION

The Government of Kenya has received financing from the African Development Bank in the form of a loan towards the cost of **Upgrading of El Wak – Rhamu (A13) Road**. The Kenya National Highways Authority (KeNHA), an implementing agency of the GoK intends to apply a portion of the proceeds of this loan for provision of **Consultancy Services for Security Liaison (Individual Consultant) for Upgrading of El Wak - Rhamu (A13) Road**.

The Government of Kenya (GOK), through its agency, the Kenya National Highways Authority, now presents these Terms of Reference (TOR) for the aforementioned consultancy contract.

The Kenya National Highways Authority (KeNHA) will require the Individual Consultant so selected to render Services which include all activities, whether explicitly named or not, deemed relevant for the successful completion of the services. The detailed description of the required services is presented in these Terms of Reference.

The consultancy assignment shall be a **lump sum contract**.

The project road is approximately 142 Kms in length and will be implemented in two lots, Lot 1: Upgrading of El Wak-Gari Road (74Km) and Lot 2: Upgrading of Gari – Rhamu Road (68Km). The site of the works shall be within the proposed road reserve and any other places as may be designated in the contract. The Employer, KeNHA will engage a Contractor to carry out civil works for each of the Lots, as well as Supervision Consultants who will act for the Employer as the “Engineer” for the Project. The Civil works Contracts have made provision for three (3) security camps each with a capacity of 60 security personnel, vehicles and equipment for security management.

2.0 OBJECTIVES

The objective of this consultancy is to support KeNHA realize the project objective to improve transport and enhance socio-economic infrastructure along the corridor. The overall objective of this assignment is to provide a security channel for all stakeholders and residents and intended beneficiaries of the Project. The specific objectives are: (i) To act as a focal point for the project security matters; (ii) To disseminate security related information that may or is deemed to impact the project implementation; (iii) To analysis and recommend actions in response to security matters...and (iv)....This will involve liaising with Police and different intelligence agencies present at the venues / meetings and general site operations and ensure full compliance with set out operating procedures and ensure staff do not breach security policies and procedures.

2.1 Specific Objectives

The Security Liaison Officer to the Engineer / the Employer will coordinate security-related requirements for the Project and development activities of relevant GoK agencies. The Consultant’s specific Terms of Reference are to:

- Liaise, advise and assist the Engineer / the Employer on security related requirements, including participating in planning operations and providing safety and security coordination inputs;
- Coordinate security-related issues with appropriate agencies and organizations participating in the project;
- Undertake threat and risk analysis for selected project worksites and offices;
- Oversee development of appropriate mitigation strategies and security plans by relevant agencies;
- Ensure appropriate measures are undertaken for the protection of project personnel, facilities, offices and assets;
- Monitor project activities for compliance with established African Development bank and KeNHA standards, and report noncompliance to the concerned authorities; and disseminate pertinent security information and advice to the concerned authorities in a timely manner;
- Work in close liaison with the GOK security agencies in mapping and addressing emerging security risks that may have direct impact on the project implementation
- Make decisions to ensure the safety and security of staff

3.0 PROJECT LOCATION

The project road is approximately 142 Kms in length located in Mandera County. It commences at El Wak Town, approximately 5 km from border, and runs in a northerly direction through Gari town, ending at Rhamu. The project is divided into two lots. Lot 1: Upgrading of El Wak – Gari Road (74 Km) and Lot 2: Gari to Rhamu (68 km). It will also include construction of 0.6km of Gari Town loop, 3.8km loop road in Rhamu town, flood mitigation measures for El Wak Town, provision of a virtual axle load weighing station, construction of about 5 km of access roads as well as selected socio-economic infrastructure in the County.

4.0 SCOPE OF CONSULTING SERVICES

4.1 General Requirements

The Individual Consultant shall perform all work herein described to attain the objectives given above. The Individual Consultant shall perform his duties in accordance with accepted professional standards. In the conduct of this work, the Consultant shall cooperate fully with government officials who will provide the data and services as outlined herein section 8; the Consultant shall be solely responsible, however for the analysis and interpretation of all data received and for the conclusions and recommendations contained in its reports.

4.2 Consultancy Services

The anticipated Consultant's services shall include, but not necessarily be limited to the following:
Overall

- **To support the KeNHA Resident Engineers (REs) in ensuring awareness, prevention, and mitigation of existing and emerging security risks** in the course of the project

- Support the implementation of the Security Management Plan for the Project as a member of the Project Security Team.
- To achieve **clear communication and coordination** between all implementing agencies and security agencies in matters of security
- To **assist in ensuring compliance** with laws of Kenya, African Development Bank safeguards and standards and best practices in security management, through monitoring and reporting.

Specifically

a) Site-Specific Security Management Planning

The Security Liaison Officer will assist the Engineer /Employer, in line with the overall Project Security Risk Assessment and Security Management Plan, in the creation of individual worksite-specific security assessments and management plans along the route. This includes

- Access control for project worksites and field offices;
- Decisions on unarmed security guards recruited to man site premises
- Physical security of facilities;
- Establishment and operations of radio room and emergency communication systems;
- Assisting the Engineer in audit/review of utilization, management and maintenance of the project facilities and resources allocated to the security agencies under the civil works Contracts.
- Ensuring security aspects are mainstreamed to the journey management plans (involving movement of vehicles and equipment).

b) Security Risk Information Gathering and Assessment

The Security Liaison Officer will:

- Be familiar with the details of the overall Project Security Risk Assessment and Security Management Plan
- Manage the collection, analysis, and dissemination of security related information;
- Ensure that the site-specific security assessments and management plans are relevant and constantly updated as appropriate and that all staff know their roles and responsibilities;
- Liaise and participate in meeting with county security focal points
- Based on the security information gathered, advise the Resident engineer on working schedule of work/journey management plans

c) Communication

The Security Liaison Officer will:

- Liaise closely with private security officers;
- Liaise closely with the National Police service and other security entities;
- Provide detailed daily/weekly and monthly security intelligence briefing to the RE and KeNHA. Submit daily/weekly/monthly intelligence briefing concerning recent incidents and trends. The information should be specific and applicable to the project area
- Provide necessary security-related information to communities and their representatives

- Ensure always to maintain a solid communication with staff, security teams and other stakeholders and value any information, even based on rumors and pass to responsible authority. The Security Liaison Officer will provide any other assistance related to the above as may be requested.

d) Preemptive Security Risk Management Services

The Security Liaison Officer will be required to;

- Provide detailed instructions on precautions and emergency procedures that should be taken;
- Daily/weekly and monthly security intelligence briefing to the RE and KeNHA. Submit daily/weekly/monthly intelligence briefing concerning recent incidents and trends. The information should be specific and applicable to the project area
- Coordinate emergency response, crisis management plans related to the Project;
- Work with RE to prepare site specific emergency response plan which will include the -transportation, evacuation and exit routes
- Liaise and work with GoK security teams in developing detailed security and evacuation plans;
- Provide updated threat and risk analysis to the lead Project management;
- Monitor implementation of Project security systems and physical protection guidelines as well as fire and safety guidelines;
- Identify all Project staff that need security and safety training, then coordinate with KeNHA and deliver appropriate safety and security-related training to all Project teams;
- Issue guidelines and advise on residential accommodations conduct, conduct periodic security awareness meetings; and schedule appropriate drills to test and strengthen incident response procedures.
- Ensure that all new employees are provided with this training.

e) Security Incident Management

The Security Liaison Officer will

- Provide directions on coordination and implementation of all security incident response procedures and guidelines consistent with the Project requirements;
- Ensure accurate reporting of incidents, investigation and implementation of the corrective actions; and undertake identification of lessons learnt after all incidents.
- Work with civil society, contractor and community to monitor and document community grievances

5.0 REPORTING REQUIREMENTS

The Consultant shall report to the Director, Development on all matters pertaining to this contract.

Reports are to be submitted in two (2) hard copies and three (3) copies in electronic format (in CD-ROM or Flash Disk). The soft copies shall be in two versions; a searchable, colour pdf version (in one single file) and editable versions of the component sections of the report (i.e. in formats compatible with MS Word, MS Excel, MS Project etc).

The Consultant shall prepare the following reports:

(i) Inception report

The inception report shall contain a detailed schedule of work, Methodology, and Inception Workshop to discuss with Client (4 weeks after contract commencement)

(ii) Quarterly report

The Quarterly Report will contain an assessment of Implementation of the Project Security Risk Assessment and Security Management Plan and recommendations. The quarterly report will be submitted within 15 days of the end of every quarter.

The content and format of the Quarterly progress report, which shall be as agreed with the Director (Development) will include but not limited to the following:

- a) Details of activities undertaken during the Quarter, site visits, meetings etc.
- b) Details and status of security installations and manpower under the project,
- c) List of any security incidences reported on site
- d) Analysis of security response to incidences
- e) Analysis of Implementation of the Project Security Risk Assessment and Security Management Plan
- f) Suggestions and recommendations
- g) Summary of interventions/meetings undertaken on behalf of the project Progress charts including percentage of completion of individual main work items and the overall Contract;

(iii) Final Report

Report at the end of the assignment on the key issues dealt with and recommendations/interventions undertaken during the entire duration of the assignment. The Final report will be submitted within 15 days of the end of the Contract.

Note: No separate payments shall be made for any other reports and/or briefings required under the Terms of Reference and shall therefore be deemed to have been included in the Contract Price.

Submission of Reports

All reports shall be submitted to KeNHA (1 hard copy and 2 soft copies) and to the African Development Bank (1 hard copy and 1 soft copy) concurrently at the provided address:

The Client shall provide the Security Management Plan and any relevant data and give all possible assistance as shall be reasonably requested of him for carrying out the services by the consultant.

The Client will also introduce the Consultant to the Supervision Consultants, Contractors and key stakeholders at County and National Government level.

9.0 CONTRACT DURATION

It is envisaged that the Consultant's Services will be for a duration of **forty-eight (48) months**.

**SECTION III: SAMPLE CONTRACT FOR CONSULTING SERVICES
LUMP-SUM PAYMENTS**

CONTRACT No. *[insert]*

(Text in brackets [] is optional; all notes should be deleted in the final text)

This CONTRACT (hereinafter called the “Contract”) is made the *[number]* day of the month of *[month]*, *[year]*, between, on the one hand, *[name of Client or Recipient]* (hereinafter called the “Client”) and, on the other hand, *[name of consultant]* (hereinafter called the “Consultant”).

WHEREAS

- (a) the Client wishes to have the Consultant perform the services hereinafter referred to
- (b) the Consultant is willing to perform these services, and
- (c) the Client has received a loan from the **ADF** toward the cost of the Services and intends to apply a portion of the proceeds of this [loan/credit/grant] to eligible payments under this Contract, it being understood that (i) payments by the Bank will be made only at the request of the Client and upon approval by the Bank; (ii) such payments will be subject, in all respects, to the terms and conditions of the [loan/financing/grant] agreement, including prohibitions of withdrawal from the [loan/credit/grant] account for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import, to the knowledge of the Bank, is prohibited by the decision of the United Nations Security council taken under Chapter VII of the Charter of the United Nations; and (iii) no party other than the Client shall derive any rights from the [loan/financing/grant] agreement or have any claim to the [loan/credit/grant] proceeds;

NOW THEREFORE the parties hereto hereby agree as follows:

- 1. Services**
 - (i) The Consultant shall perform the services specified in Annex A, “Terms of Reference and Scope of Services,” which is made an integral part of this Contract (“the Services”).
 - (ii) The Consultant shall provide the personnel listed in Annex B, “Consultant’s Personnel,” to perform the Services.
 - (iii) The Consultant shall submit to the Client the reports in the form and within the time periods specified in Annex C, “Consultant’s Reporting Obligations.”
- 2. Term**

The Consultant shall perform the Services for a period of **forty eight (48) months**, or any other period as may be subsequently agreed by the parties in writing.
- 3. Payment**
 - A. Ceiling

For Services rendered pursuant to Annex A, the Client shall pay the Consultant an amount not to exceed *[insert amount]*. This amount has been established based on the understanding that it

includes all of the Consultant's costs and profits as well as any tax obligation that may be imposed on the Consultant.

B. Schedule of Payments

The schedule of payments is specified below¹:

10% of Contract Price upon the Client's receipt of the Inception report, acceptable to the Client;

5% of Contract Price upon the Client's receipt of each Quarterly report, acceptable to the Client. (Total 80% for 16 quarters)

10% upon the Client's receipt of the Final report, acceptable to the Client.

Note: No separate payments shall be made for any other reports and/or briefings required under the Terms of Reference and shall therefore be deemed to have been included in the Contract Price.

_____Total and
currency]

C. Payment Conditions

Payment shall be made in [specify currency], no later than **56 days** following submission by the Consultant of invoices in duplicate to the coordinator designated in paragraph 4.

Payments shall be made to Consultant's bank account

[insert banking details. If payment by bank wire is not possible, prior Bank approval to apply cash payments option shall be obtained]

**4. Project
Administration**

A. Coordinator.

The Client designates *Director (Development)* as Client's Coordinator; the Coordinator will be responsible for the coordination of activities under this Contract, for acceptance and approval of the reports and of other deliverables by the Client and for receiving and approving invoices for the payment.

B. Reports.

The reports listed in Annex C, "Consultant's Reporting Obligations," shall be submitted in the course of the assignment,

and will constitute the basis for the payments to be made under paragraph 3.

- | | |
|--|--|
| 5. Performance Standards | The Consultant undertakes to perform the Services with the highest standards of professional and ethical competence and integrity. The Consultant shall promptly replace any employees assigned under this Contract that the Client considers unsatisfactory. |
| 6. Inspections and Auditing | The Consultant shall permit, and shall cause its Sub-Consultants to permit, the Bank and/or persons or auditors appointed by the Bank to inspect and/or audit its accounts and records and other documents relating to the submission of the Proposal to provide the Services and performance of the Contract. Any failure to comply with this obligation may constitute a prohibited practice subject to contract termination and/or the imposition of sanctions by the Bank (including without limitation s determination of ineligibility) in accordance with prevailing Bank's sanctions procedures. |
| 7. Confidentiality | The Consultants shall not, during the term of this Contract and within two years after its expiration, disclose any proprietary or confidential information relating to the Services, this Contract or the Client's business or operations without the prior written consent of the Client. |
| 8. Ownership of Material | Any studies reports or other material, graphic, software or otherwise, prepared by the Consultant for the Client under the Contract shall belong to and remain the property of the Client. The Consultant may retain a copy of such documents and software. |
| 9. Consultant Not to be Engaged in Certain Activities | The Consultant agrees that, during the term of this Contract and after its termination, the Consultants and any entity affiliated with the Consultant, shall be disqualified from providing goods, works or services (other than consulting services that would not give rise to a conflict of interest) resulting from or closely related to the Consulting Services for the preparation or implementation of the Project |
| 10. Insurance | The Consultant will be responsible for taking out any appropriate insurance coverage. |
| 11. Assignment | The Consultant shall not assign this Contract or sub-contract any portion of it without the Client's prior written consent. |
| 12. Law Governing Contract and Language | The Contract shall be governed by the laws of <i>the Republic of Kenya</i> , and the language of the Contract shall be <i>English</i> . |
| 13. Dispute Resolution² | Any dispute arising out of the Contract, which cannot be amicably settled between the parties, shall be referred to adjudication/arbitration in accordance with the laws of the Client's country. |

14. Termination

The Client may terminate this Contract with at least ten (10) working days prior written notice to the Consultant after the occurrence of any of the events specified in paragraphs (a) through (d) of this Clause:

- (a) If the Consultant does not remedy a failure in the performance of its obligations under the Contract within seven (7) working days after being notified, or within any further period as the Client may have subsequently approved in writing;
- (b) If the Consultant becomes insolvent or bankrupt;
- (c) If the Consultant, in the judgment of the Client or the Bank, has engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices (as defined in the prevailing Bank’s sanctions procedures) in competing for or in performing the Contract.
- (d) If the Client, in its sole discretion and for any reason whatsoever, decides to terminate this Contract.

IN WITNESS WHEREOF, the Parties hereto have caused this Contract to be signed in their respective names as of the day and year first above written.
