RE: CANCELATION OF TENDER PROCESS (MJS/CBC/02/2025-2026) PROPOSED CONSTRUCTION OF 2 CLASSROOM.

The school board of management wishes to acknowledge receipt of bids submitted in response to the tender for the construction of two classroom at Munyaka Junior school.

Following an advisory issued by the Public Procurement Regulatory Authority (PPRA) regarding the required procedure under the Public Procurement and Asset Disposal Act, 2015 (PPAD Act), the school has resolved to cancel the entire tender process.

Bidders are hereby informed that the tender proceedings are nullified, and no further evaluation will be undertaken on the submissions already received.

The school will re-advertise the tender in due course, ensuring full compliance with the provisions of the PPAD Act, 2015. Bidders are therefore advised to await the new advertisement, which will provide the proper framework for participation.
