ADDENDUM NO. 1

TENDER FOR DESIGN, SUPPLY, IMPLEMENTATION, MIGRATION AND COMMISSIONING OF A VIRTUALIZED ENVIRONMENT FOR CENTRAL BANK OF KENYA- RE-ADVERTISEMENT, TENDER REF NO: CBK/067/2025-2026

The above captioned tender was published on **www.tenders.go.ke** and **www.centralbank.go.ke** on 4th November 2026. The Bank is hereby issuing Addendum No. 1 in line with Section 75 of the Public Procurement and Asset Disposal Act 2015 and will form part of the tender document.

S/NO	REQUESTS FOR CLARIFICATIONS	BANK'S RESPONSES
1	**S2**: Enterprise Server-class x86-64 processors, base clock of at least 2.0 GHz, giving at least 800 physical cores per site. Intel Xeon 6700P-series or an equivalent or better processor is acceptable **S3:** N+1 sizing: with any one node down, the remaining nodes still provide 800 cores and 12 TB of DRAM at that site. **Please clarify if the minimum core er processor required is 64.**	Bidder to structure their proposed configurations and node counts as per the guiding physical core count requested
2.	Are bidders required to participate as a Consortium or Joint Venture in order to qualify by combining the project experience of the respective entities?	Joint ventures or Consortium are not allowed
3.	**MR7 – Manufacturer Authorization Letter:** Our vendors have informed us that Manufacturer Authorization Letters (MAFs) follow a standard format that is uniform across all partners. As such, the vendors are unable to accommodate tender-specific wording, including explicit reference to "supply, implement and support." We kindly request confirmation that the vendors' standard MAF formats will be accepted as compliant with MR7	The MAF must show evidence of the capabilities requested on MR 7. Bidder to respond as requested.

All other terms and conditions of the tender remain the same.
